Bob,

I am responding to your request to place three contracts on tomorrow's board agenda with a recommendation from staff for the board to approve the contracts, however, staff has not had time to vet these vendors, and I must ensure that we conduct our due diligence before we make any recommendation to the Board. The vendors you recommended we open contracts with include D'Vacor Entertainment Group, Harris & Associates, and Full Circle.

At this point, I can leave the contracts on the agenda with the current recommendation from staff, which will allow you to share your thoughts with fellow trustees and staff in tomorrow's board meeting or I can pull the three contracts, properly vet the organizations and then make a recommendation at a later meeting.

Please let me know which of the two options above is your preferred approach.

Bob, as I have mentioned before, communication is key and we would be well served if a structured and consistent venue were in place. I'd be glad to arrange a mutual time for us to discuss/review board agenda's and any other pertinent issues that arise.
